

If I Were a Leprechaun

If I were a leprechaun from Ireland,
I wouldn't dance all day.
I wouldn't play tricks on people,
Then hide and run away.

If I were a leprechaun from Ireland,
I wouldn't just run around.
To hide gold at the end of a rainbow,
In pots that will never be found.

If I were a leprechaun from Ireland,
I'd want the world to see,
That I'm real and I'm small and I'm Irish
And I have gold in piles bigger than me!

Yes, if I were a leprechaun from Ireland,
I'd shout out happily,
That I live in the fields here in Ireland,
But no one will ever catch me!
